DO NOT DISCARD THIS LETTER. As a visitor to New York State, you will need this letter to qualify for keeping firearms with you and allowing you to bring your firearms into the state. You will be asked to present an itinerary, and may be asked to show your USPSA or IPSC-affiliate membership card (we suggest you attach copies of both to this letter). As a competitor, you qualify for the sport shooting exemption that allows a non-resident of New York State to possess a firearm while attending shooting events here.

Attention 2008 ELS 3-Gun Championship Competitor: Some information regarding New York State Law:

Non-resident possession of handgun in New York

Possession of handguns by individuals not holding law enforcement credentials or a New York State Pistol Permit is covered by NY penal code 265.20(13). The exemption covers only your match firearm(s), which must be transported, unloaded in a locked opaque container along with a copy of your match registration. It is suggested that you should obtain a copy of NY penal code 265.20(13), when traveling. This exemption is good for 48 hours before and after the match. Please note that New York City is a separate licensing jurisdiction, and it is not a good idea to attempt to rely on this competitor's exemption while in the state to attend a match in upstate New York.

Magazines with a capacity greater than 10 rounds

It is a crime to possess a magazine with a capacity greater than 10 rounds in New York State if that magazine was manufactured after September 13, 1994. [NY penal code 265.00(23), 265.02]

Junior Competitors

New York state residents may now compete in USPSA matches in NY State. You must have a valid NYS resident small game hunting license, completed the hunter safety training course and be accompanied by a parent or legal guardian that holds a valid NYS pistol permit at the match you choose to compete in.

Non-resident juniors may compete under the provisions of 265.20(13).

If you have further questions, please contact me at the numbers listed on this page. We look forward to seeing you soon.
